# SITDEF PERU 2025

APRIL 10TH TO 13TH

SITDEF is a prominent exhibition in Latin America, dedicated to the modernization of the Armed Forces and the National Police, showcasing advancements in security, technology, and disaster prevention from its inception. It brings together leading companies in the defense and security field, as well as key institutions such as the Navy, Air Force, Army, National Police, and the National Institute of Civil Defense, promoting cooperation and the adoption of advanced technologies. SITDEF has become a pivotal point for experts, officials, and industry leaders.

## SITDEF PERU

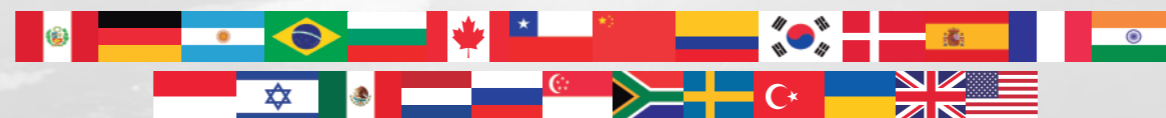

It is an excellent commercial platform thanks to its strong presence in the Peruvian market, attracting high-ranking military authorities interested in the modernization of the Armed Forces and the National Police, as well as military delegations from the regional level. It also offers conferences, demonstrations, and facilitates meetings with various Logistics Commands, providing an excellent opportunity to establish strategic contacts. It is a unique space for promoting business, exchanging technology, and strengthening the image of participating companies.
